DARWIN - KAKADU NATIONAL PARK

This morning after breakfast we check out and leave cosmopolitan Darwin behind for an overnighter stay to experience the magic of World Heritage listed Kakadu National Park. Kakadu is one of the world's greatest natural wonders with remarkable scenery and unique flora and fauna. This afternoon, we explore Australia's 50,000-year aboriginal heritage through the incredible rock art galleries that fill this area. The unique walls of Burrungkuy (Nourlangie) rock art site, have served as a shelter and canvas for thousands of years, providing windows into a rich cultural tradition. We make our way to Warradjan Aboriginal Cultural Centre, which tells the story of the traditional owners through displays, artefacts and exhibitions. Here, we board our incredible Yellow Water Sunset Cruise. Look out for a vast range of wildlife including Jacana, Egrets, Sea Eagles and maybe a crocodile or two. Accommodation – Kakadu Lodge Cooinda or similar (1 Nights)

Day 4 (B,D)

KAKADU - DARWIN

Check out after breakfast this morning and we'll begin our journey back to Darwin. First we stop at the fabulous Spectacular Jumping Crocodile. See powerful saltwater crocodiles as they propel themselves high out of the water to snatch their pray. With the help of our experienced guides, we learn more about these magnificent creatures while watching the crocs jump for food from the safety of our boat. Back on dry land, we purchase lunch at the Adelaide River Queen Pavilion Café (own expense) before heading to the Window on the Wetlands.
