Danang Golf Club is situated on the fledgling central coast of Vietnam amid 150 hectares of dunescape similar to what the world's first golf courses were carved from. Its chief feature is a 7,160-yard, 18-hole, links-style layout that was designed in the true spirit of the game — blown-out bunkers, firm and fast fairways that bleed gently into wild seaside vegetation, rugged waste areas, swales, and hollows — by Australian golf legend and former world No. 1 Greg Norman

The Danang Golf Club opened in early 2010 and immediately leapt to fame being recognized as one of the 15 best new courses in the world by USA GOLF magazine. The following year Danang Golf Club was voted the 2011 best new golf course in Asia by the readers of Asian Golf Monthly.

COOKING CLASS (2.15pm) with a welcome drink at Hai Café (98 Nguyen Thai Hoc Street, Hoi An Ancient Town, Tel: 3863210) – our meeting point.

Visit Hoi An's colourful market, and experience the amazing sights, sounds and aromas of this busy market. We will have the opportunity to interact with the local sellers and learn about all the ingredients to be used in the cooking lesson later.

We board the Red Bridge boat for a leisurely cruise (25 minutes) along the Hoi An River to the Red Bridge Cooking School. This is a chance to view local river life, so make sure your camera is handy.

On arrival, we explore the cooking school's herb garden, before learning about some of Hoi An's and Vietnam's well-known dishes. The cooking lesson runs for about 2 hours – the Red Bridge chefs first demonstrate each dish before we prepare the same dish ourselves. Included in the class is a brief introduction to Vietnamese food carving (plate decoration). After the lesson, we sit down and eat what we have cooked.

Bring your swimsuit and after the cooking tour has finished relax and enjoy free use of our 20 metre swimming pool – towels and showers provided. You are dropped at the old town and enjoy your free time.

Setting off from Café Zoom in Hoi An, we head out west along the banks of the Thu Bon River, first stopping at a bustling local fish market before heading into the rice paddy rich countryside and local villages, stopping to meet a local family producing local rice crackers. Crossing a bridge over the Thu Bon River takes us through more quiet villages and then into beautiful farmlands, where we take a break for a local specialty dish while surrounded by seasonal vegetables in the picturesque fields of corn, eggplants, sweet potatoes, cucumbers, and herbs (location is seasonal).

As the sun starts to go down, we set off through the rice paddies, passing duck farms, visit a local mat weaving family and then ride along by the prawn farms and over the river to visit a charming family home where they produce the local & potent favorite brew – rice wine. It's then a short ride over the Cam Kim Bridge into Hoi An as the sun begins to set on this beautiful heritage town.
